

In the Loop

Hope United Methodist YOUTH Newsletter

He is Risen! He is risen indeed! Because of the love of Jesus we are able to love others too.

Youth have been learning about the love Jesus has for all people and have had some amazing opportunities to extend that love to others through various activities and there are more in the works. In addition Jesus is working through you, the congregation, by your support and prayers for youth.

Did you know that our Wednesday format has changed a bit? With our change in leadership students coming to church right after school are now volunteering in a variety of ways with Kid's Bible Club (KBC). They are taking on responsibilities and becoming role models for our younger students.

Easter Breakfast @ 8am

Youth are invited to help serve and clean up. The free will offering collected will be put toward the Alaska mission trip. Please contact TJ Lewis if able to help

Summer Camp 2018

Once again, thanks to a donor, any student connected to Hope is able to go to camp for FREE. Turn in registrations to Brandi in the office.

Service Opportunity

Staci Thompson is looking for youth to help with serving food and cleaning tables for a Habitat for Humanity fundraiser on Friday, April 13th.

Please contact Jenny if you are interested.

Easter Sunrise Service @ 7 AM

We are EXPECTING all Confirmation students to participate. Ushers, readers, leading prayer, etc.... Even if you can't attend, please write a paragraph about what you're learning, what youth ministry @ Hope means to you, and if you think God is leading you to take any steps in a certain way. We will be reading these during Service, if you don't feel comfortable reading, we will have someone else do it and/or put it on a slide.

Boundary Waters Planning Meeting

**Wednesday, April 11th
following service**

Alaskan Mission Trip

Thank you so much to Janelle for heading up the plans for this trip!

We are firming up plans and it looks like we will be having 15 people participating this summer!

Serve with heart!

April 2018
