

## ***December, 2018 - Daily Bible Reading & Bible Studies***

**What is S.O.A.P.?** S.O.A.P. stands for **S**cripture, **O**bservation, **A**pplication and **P**rayer. It is a way of getting more out of your time in God's word.

**How does it work?** It's quite simple. Take time everyday to read and reflect on the passage for the day. Underline or note things that jump out at you with special significance. This is the basis for diving deeper and using S.O.A.P.

> **Scripture:** Write out the verse(s) that stuck out to you.

> **Observation:** What did you observe about that verse? This can be one sentence or just some notes you jot down.

> **Application:** How can you apply the observation so that it affects your life today? Write your application down.

> **Prayer:** Write out a prayer to God based on what you just learned and ask him to help you apply this truth in your life.

That's all there is to it!
