Bible Presentation

We are striving to create Bible-literate disciples of Jesus. To do this, we decided on a Bible training curriculum with our 3rd and 4th graders this year. To celebrate the completion of this training and the children's strengthened knowledge of the Bible, we will be having a presentation on January 20th during the 9:00am worship service. The children will receive their Bibles, a certificate, and another small gift from the church. Please join us to congratulate these children on their accomplishment!
