

START THE NEW YEAR IN THE NEW TESTAMENT (January 6 – March 3)

The New Year is a great time for NEW beginnings! I believe that God wants to do something new in our congregation during 2019. Let's take time to align ourselves with God by reading through the New Testament together. God's Word is powerful! As we open our hearts and minds to the Bible, we will be encouraged, renewed and challenged.

This series will be built around the "Community Bible Experience" which includes:

An 8-week personal read through of the New Testament

A small group option that provides book introductions and opportunities to share what God is showing us

Corresponding Sunday morning messages to give us background and major themes

Reading schedule:

Week of January 13 – 19 READ: Luke

Week of January 20 – 26 READ: Acts, I & II Thessalonians

Week of January 27 – February 2 READ: I & II Corinthians, Galatians, Romans 1-8

Did you know there are audio versions of the Bible you can access online? Feel free to use your own Bible or one of the special New Testaments designed for this program. The special New Testaments lay out in a "more natural" format without chapter or verse designations. Suggested donation for one of these New Testaments is \$9.
